God Be With Our Boys To-night.

1.

Brave eyes that look'd so tenderly,
Where are you now to-day?
Sad were our thoughts at break of dawn
After you went away.
Loud sang the lark o'er fields of gold,
High in the heav'n above;
Winter alone within our hearts
Calling for you we love.

2.

Brave ones who answer'd your Country's call,
How could we let you go
Out of the sunshine of our souls
Save that we love you so.
There is a place within our hearts
No one on earth may fill,
Some day at last you'll come back to us,
Watching and longing still.

REFRAIN. O, waiting heart, I can not tell
How dark and long the lane!
Only I know that time will bring
Our dear ones back again
Safe to a home of peace and light
Across the furthest sea;
May God be with our boys to-night
Wherever they may be.
